

Welcome to the Participant Kiosk!

We're here to help on your employment journey.

You can use this computer for things like:

- Looking and applying for jobs
- Updating your resume
- Learning about different industries and companies
- Studying and completing short courses
- Updating your skills

This computer is monitored to keep everyone safe, so please use it for your employment tasks only.

Don't save files to the desktop. They'll be deleted overnight.

Instead, save your work to your own cloud storage (like Google Drive or iCloud) or a USB/hard drive.

We're here to support you on your journey.

Keep going - you're doing great!
